

Merrit Quarum, MD
CEO and Chairman of the Board
Qmedtrix Systems

Merrit Quarum, MD, is founder and CEO, of Qmedtrix Systems.

Qmedtrix identifies and corrects abusive and fraudulent medical bills on behalf of Fortune 500 clients, insurance companies, state funds, TPAs, managed care organizations, and individuals.

Dr. Quarum is nationally recognized as an expert in medical bill review, and associated litigation, and has served as medical director for numerous public and private entities.

The National Institutes of Health recently awarded Dr. Quarum and his colleagues, a grant to study "The Use of Mathematic Algorithms in the Prevention of Improper

Medical Payments."

Qmedtrix Systems was recognized in 2007 by Consumer Health World for best website for patient/consumer information (www.uninsuredbillreview.com).
