

**Merrill Matthews, Ph.D.**  
**Executive Director**  
**Council for Affordable Health Insurance**

Merrill Matthews, Ph.D., is director of the Council for Affordable Health Insurance and a resident scholar with the Institute for Policy Innovation. He is a public policy analyst specializing in health care issues, and is the author of numerous studies in health policy and other public policy issues. He is past president of the Health Economics Roundtable for the National Association for Business Economics, the largest trade association of business economists.

Dr. Matthews served for 10 years as the medical ethicist for the University of Texas Southwestern Medical Center's Institutional Review Board for Human Experimentation, and has contributed chapters to several books.

He has been published in numerous journals and newspapers, including the Wall Street Journal, Investor's Business Daily, Barron's, USA Today and the Washington Times, and Forbes magazines.

Dr. Matthews received his Ph.D. in Humanities from the University of Texas at Dallas.
